SPONSORSHIP OPPORTUNITIES

As a sponsor of The Fast and The Furriest 5K race, you will receive positive brand association with a well established nonprofit animal clinic. With an active community presence, including over 19,000 followers on Facebook, your company is sure to be noticed in Central Florida and beyond.

Our goal is reach all pet owners, animal rescue organizations and community caregivers, and make spaying and neutering accessible to them at an affordable cost. We've fixed 82,000 pets since opening in 2012. Support from local leaders & businesses is essential to keeping that momentum going; ensuring the health and happiness of pets & families here in Central Florida. Let's work together to both make a difference in our community and showcase your business!
